Special Christmas Edition

Dear Santa

My name is Jean and I live in Cornwall, ON with my sister, brother-in-law and niece and nephew. This year I celebrated my 20th year working at Giant Tiger in Alexandria.

How are you, Santa Claus? How is everything in the North Pole? How are your elf coworkers? How is Mrs. Claus and your reindeer? Are you enjoying the North Pole? Is there lots of snow there?

I think I've been very good this year and I am so excited for Christmas. For Christmas I would like snow, lots of fun, a sled, skates, a snow ball fight, good health, and a heavy metal T-shirt (XL)

I love you Santa Claus, very very much. I will leave you some Chocolate Chip Cookies and a glass of milk. I will also leave some carrots for the reindeer.

Love Your Friend
Jean

The Christmas Song
Nat King Cole,

Chestnuts roasting on an open fire,
Jack Frost nipping at your nose,
Yuletide carols being sung by a choir
And folks dressed up like eskimos.
Everybody knows a turkey and some mistletoe
Help to make the season bright.
Tiny tots with their eyes all aglow
Will find it hard to sleep tonight.
They know that Santa's on his way
He's loaded lots of toys and goodies on his sleigh
And ev'rymother's child is gonna spy
To see if reindeer really know how to fly.
And so I'm offering this simple phrase
To kids from one to ninety-two
Although its been said many times,
Many ways: "Merry Christmas to you"
And so I'm offering this simple phrase

Away In a Manger Lyrics

**Away in a manger,
No crib for His bed
The little Lord Jesus
Laid down His sweet head**

**The stars in the bright sky
Looked down where He lay
The little Lord Jesus
Asleep on the hay**

**The cattle are lowing
The poor Baby wakes
But little Lord Jesus
No crying He makes**

**I love Thee, Lord Jesus
Look down from the sky
And stay by my side,
'Til morning is nigh.**

**Be near me, Lord Jesus,
I ask Thee to stay
Close by me forever
And love me I pray**

**Bless all the dear children
In Thy tender care
And take us to heaven
To live with Thee there**

JINGLE BELLS

Dashing through the snow
In a one horse open sleigh
O'er the fields we go
Laughing all the way
Bells on bob tails ring
Making spirits bright
What fun it is to laugh and sing
A sleighing song tonight

Oh, jingle bells, jingle bells
Jingle all the way
Oh, what fun it is to ride
In a one horse open sleigh
Jingle bells, jingle bells
Jingle all the way
Oh, what fun it is to ride
In a one horse open sleigh

Stained Glass Windows

Ingredients

1 stick unsalted butter 1/2 cup

12 oz semi-sweet chocolate chips 2 cups

1 cup finely diced walnuts

1 ½ cups sweetened shredded coconut

1 bag mini multi colored marshmallows 10 oz

Instructions

In a small pot on the stove over low heat, melt the butter and chocolate chips, stirring frequently until smooth and melted. Allow the chocolate to cool for 5 minutes before

moving forward.

While the chocolate is cooling, prepare your 'rolling' station. Lay 2 pieces of long plastic wrap on a flat surface. Sprinkle each piece with a generous amount of shredded coconut, but reserve some.

Dump the mini marshmallows and chopped walnuts into a large mixing bowl. Pour the cooled chocolate over the marshmallows and mix well to combine.

Place half of the marshmallow mixture in a log shape on one piece of plastic wrap (on top of the coconut) and place the other half of the mixture on the second piece of plastic wrap. Sprinkle more coconut on top of the marshmallow mixture. Use the plastic wrap to roll the mixture into a uniform log shape,

BEYOND 21 GAZETTE – THE PLACE WE BELONG

December 2021

Special Christmas Edition

wrapping it tightly. Twist the ends of the plastic wrap and secure the a small piece of tape.

Repeat with the second log.

Place the logs in the refrigerator for at least 1 hour. Use a serrated knife to cut the logs into slices.

Tips for making no bake stained glass window cookies

Use low heat when melting the chocolate and butter and stir the mixture frequently

Allow the chocolate to cool slightly before adding it to the marshmallows

A single recipe will make 2 logs and I recommend splitting it in half because it will be easier to roll

Frosty the Snowman

Frosty the snowman was a jolly happy soul
With a corncob pipe and a button nose
And two eyes made out of coal

Frosty the snowman is a fairytale they say
He was made of snow but the children
Know how he came to life one day
There must have been some magic in that
Old silk hat they found

For when they placed it on his head
He began to dance around

Was alive as he could be
And the children say he could laugh
And play just the same as you and me
Look at Frosty go

Over the hills of snow
Frosty the snowman knew
The sun was hot that day
Let's run and

We'll have some fun
Now before I melt away
Down to the village
With a broomstick in his hand
Running here and there all
Around the square saying

Catch me if you can
He led them down the streets of town
Right to the traffic cop
And he only paused a moment when
He heard him holler "Stop!"
For Frosty the snow man
Had to hurry on his way
But he waved goodbye saying
Don't you cry
I'll be back again some day
Look at Frosty go
Over the hills of snow

Best Ever Christmas Crack

5 ingredients

- 1 cup Brown sugar, packed light or dark
- 1 pkg Milk or semi-sweet chocolate chips
- 1 Toppings like nuts
- 40 Saltine crackers (about 1 sleeve), salted

BEYOND 21 GAZETTE – THE PLACE WE BELONG

December 2021

Special Christmas Edition

1 cup Butter, unsalted or salted

Preheat oven to 350F. Line a large baking sheet with heavy duty aluminum foil (if using regular foil, spray with non-stick cooking spray for easy removal). Spread the crackers out on the foil in a single layer and fold up the edges of the foil to box in the crackers. Set aside

In a small saucepan, melt the butter and brown sugar over medium-high heat on the stovetop. Bring to a rolling boil. Reduce the heat to medium and continue to boil for 5 minutes (set a timer), stirring occasionally. Quickly pour over the crackers and spread to cover completely.

Bake for 5 minutes in the oven. Turn off heat. Remove from oven and immediately sprinkle the chocolate chips on top.

Let stand for 1-2 minutes or until the chocolate starts to look shiny and is soft enough spread evenly over the toffee. If the chocolate is still not warm enough to spread after 4 minutes, place it back in the oven for a minute to help soften it.

Top with any additional toppings if desired.

Chill in the refrigerator for about 2 hours to harden. Peel away the foil and break into pieces.

Leftovers can be stored in an airtight container and stored in the fridge for up to a week. You can also freeze it for up to 3 months.

Expert tips:

Pan size – A 10×15” jelly roll pan works best for this recipe. However, any type of baking sheet this size or larger will work. My pan is actually 11×17” so I just fold up the edges of the foil to keep the crackers in place and prevent the toffee from spilling out onto the pan.

Lining the pan – Heavy-duty foil works best because it’s easy to peel away. You can use regular foil – just lightly coat with non-stick cooking spray to make it easy to remove. You can also use parchment paper. There is no greasing required if you’re using parchment paper, but just make sure to completely cover the bottom and sides of the pan. **Cooking the toffee.** Once the butter and brown sugar reaches a boil, set a timer, and let it boil for 5 minutes. You want it to be a rolling boil to evaporate some of the moisture, so it becomes like caramel.

Baking the cracker candy. Bake the saltine toffee in a 350F oven for a minimum of 5 minutes or until bubbling so that the toffee

reaches its second boiling point and absorbs into the crackers.

Melting the chocolate chips. As soon as you remove the tray from the oven, immediately sprinkle the chocolate chips on top. The bubbling toffee should be hot enough to melt the chocolate. Once about half the chocolate chips look shiny, you can start spreading the chocolate to cover the saltine toffee. If you have trouble with this, you can use mini chocolate chips or melt the chocolate in the microwave then spread it on top.

Grinch Cookies

Ingredients

18 Hershey's kisses unwrapped
17.5 ounces Betty Crocker Sugar Cookie Mix
¼ cup all-purpose flour
1 large egg
½ cup unsalted butter room temperature
¾ teaspoon green gel food coloring I used Betty Crocker brand
18 large heart candy sprinkles

In a small bowl, whisk together, with a fork, the egg and green gel food coloring until the food coloring is thoroughly combined with the beaten egg.

In a large mixing bowl, with a handheld mixer on low speed, combine the Betty Crocker Sugar

Cookie Mix, all-purpose flour, unsalted butter and egg mixture for 2 to 3 minutes or until thoroughly combined. Your dough will be very thick.

- Using a 1 ½ tablespoon (1½-inch) cookie scoop, scoop out a ball of dough and flatten it into a 3-inch disc in your hand. Place a Hershey's Kiss into the center and carefully pull the sides up to cover the candy and shape it into a ball. Make sure to keep your Hershey's kiss candy upright when placed into the mini muffin tin to be baked.

Place the dough balls into the muffin tin making sure that the Hershey's kiss is still in the upright position and bake for 10 to 12 minutes. Do not let your dough start to get brown
